To whom it may concern,

I write this letter to recommend James Kekanovich for the role of facilitator with your institution.

He has demonstrated an ability to present Eventscape in a memorable manner to leading design and architectural firms over the past two years and has earned my trust.

He has made almost one hundred presentations on our behalf to top architectural and design firms in New York, Chicago, Toronto, Montreal, Calgary, and Vancouver.

His presentations communicated our information effectively. This provided the starting point for discussions and eventual collaboration on award winning solutions in the retail and architectural worlds.

James is caring individual with a positive attitude.

I have also been impressed with his ability to grow in order to adapt to various situations and scenarios.

Please don't hesitate to contact me with any questions.

Sincerely,

Gareth Brennan
